

# Directions to The Escape

## From M3 - Junction 6

From the motorway you will come off the slip road onto a small roundabout. From London you will turn right off this roundabout, from Winchester you will turn left. This leads you up to the main junction roundabout (Black Dam Roundabout).

Go straight over this roundabout, up the dual carriageway which will take you past the large seventies looking building on your left after about 300 metres.

As you go past this building, a slip road joins from the left which you need to join to take the next slip road off. (If you miss this don't panic, take the next turning off which will lead you to the Reading Road Roundabout (see below).

Follow the slip road to the bottom and turn right into Gresley Road. Follow this road until the Wade Road Roundabout (which has raised stones in the middle).

Turn right off this roundabout into Swing Swang Lane and at the brow of the hill take the first right into Armstrong Road and then the first left into Roentgen Road.

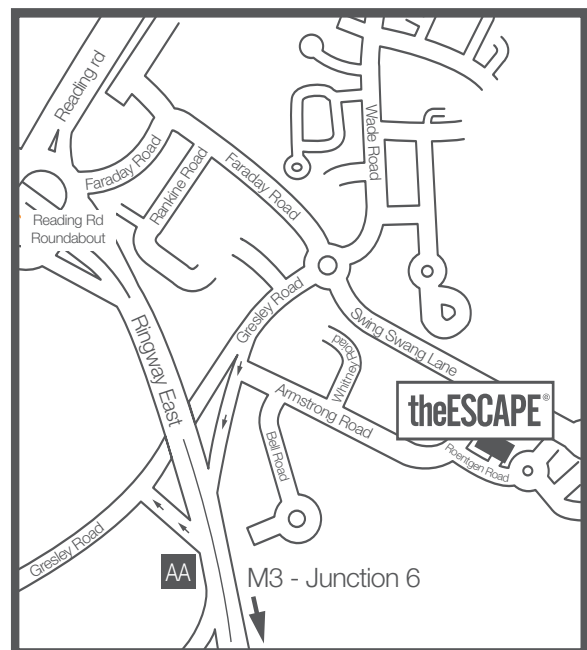

Loddon Business Centre is on the left about 100 yards down this road. The Escape have 2 units (C & E) which are situated in the block immediately in front of you as your drive through the gates.

## From reading road roundabout

Take Faraday Road (junction between Reading Road and Slip Road for Ring Road South). Follow this road until the Wade Road Roundabout (which has raised stones in the middle). Go straight over the roundabout into Swing Swang Lane.

At the brow of the hill take the first right into Armstrong Road and then the first left into Roentgen Road.

Loddon Business Centre is on the left about 100 yards down this road. The Escape have 2 units (C & E) which are situated in the block immediately in front of you as your drive through the gates.
